

2011 GUIDELINES AND EXPRESSION OF INTEREST FORM

# Xstrata Coal Wandoan Suppliers List

SOURCING AND PURCHASING FROM LOCAL COMPANIES

# 2011 Guidelines

Xstrata Coal maintains a mailing list for local suppliers to register their interest in quoting to supply goods and services to Xstrata Coal Queensland and its major contractors for the Wandoan Coal Project.

## Who is Xstrata Coal Queensland

Xstrata Coal's Queensland operations include coking and thermal coal mines in the State's Bowen Basin, including the Oaky Creek, Newlands, Collinsville, and Rolleston mines and the Abbot Point Coal Terminal. Xstrata Coal's Queensland projects include Togara, Cook and Wandoan. Xstrata Coal Queensland is part of Xstrata plc, whose operations and projects span 18 countries and employ more than 56,000 people.

## Xstrata Coal's commitment to sourcing from local companies

Xstrata Coal is committed to enhancing the socio-economic capacity, prosperity and sustainable development of the communities in which we operate. This includes establishing processes to encourage sourcing and purchasing from local companies.

## How the Wandoan Suppliers List works

The Wandoan Coal Project will be purchasing a wide range of goods and services, including technical, trade and professional services, as well as construction, electronic and other commercial goods.

To encourage purchasing from local companies, Xstrata Coal maintains and uses a list of local companies who are interested in quoting to supply goods and services to the Wandoan Coal Project. This list is also provided to Xstrata Coal's major contractors so they can request quotes and sub-contract work to local businesses. Part of Xstrata Coal's tender process for major contractors requires a commitment by them to purchase goods and services locally, where commercially viable.

Local companies who are interested in quoting to supply goods and services for the Wandoan Coal Project should complete this Expression of Interest and return it to Xstrata Coal. They can then respond to any requests for quotes in the usual way.

## Who should register

Xstrata Coal considers businesses to be 'local' to the Wandoan Coal Project if they are located in or employ residents of Wandoan, Taroom, Miles, Roma, Dalby and surrounding districts.
